A Once in a Lifetime Cow

ROSIER BLEXY GOLDWYN-ET EX-97 EEEEE 3E

The Story of Blexy has many chapters and we have been lucky enough to be part of many of them. For us it started on an August evening. We were flying to Atlantic City to go to a Journey concert with Chris and Jen Hill and Chad and Sandy Umble. I promised Sharyn it was a NO COWS WEEKEND. We boarded the plane in Burlington and Chris Hill rang me and said he had just finished judging a show in PA and saw the greatest young cow he had seen in a long time. He told me who she was and I was particularly interested because I knew and loved her family and pedigree. I had always been a big fan of the great black cow Brabant that had anchored Jocelyn Cotes string in Quebec and the fantastic uddered cow that Brian Craswell showed many years in the maritimes...they were all from this family and the cross Goldwyn x Dundee was magic. So we landed in Phila and I called the owner, Brad Hoover (one of the partners) and asked if we could come see her. He said yes, when? I said in an hour and a half. We jumped in our rental car and instead of heading east to Atlantic City, we went west to Lebanon PA. We got there at 10:30 at night and there she was. She was very impressive in all ways. While Brad was leading her Sharyn got me to the side and said no matter what buy this cow. You can't let her go. So in true Abbott form, (my dad would have been proud) I started haggling over price. The price was pretty firm and so was Sharyn when she said, JUST BUY HER, don't worry about price (the only time that has ever happened) We bought her that night and went on to the concert that weekend. I called our great friend Clark Woodmansee and told him about her and immediately he wanted to own her with us. She was 6th that year at Expo and then had a year off after flushing a bit. As a 4 year old she had a tough start and looked great but never got in perfect show form and then the year she was coming as a 5 Year Old people started to buzz. We put her in the Define your Destiny Sale after much persuading by Tom Cull. She sold that day and we kept part of her and the other part was sold to Hank and Carolyn Van Exel, great friends and partners from CA. She did great things that year and continued to develop and that fall after caring for her for the summer, Tom and Kelli Cull and Peter Vail decided to buy in, rounding out the partnership as it is today. She has gone on to win numerous shows including WDE as Supreme Champion, has made great daughters and now is one of VERY FEW COWS of the HOLSTEIN BREED to hit the highest score ever EX 97. Blexy has brought us great joy over the years and we are lucky to have been involved in her success for years. We have to say, the Journey song...DONT STOP BELIEVING... a song we heard performed live the weekend we bought her has become Blexy's anthem!

Thanks BLEXY

Welcome to Fireworks at Borderview!

We wish to thank each of you for your interest in our breeding program at Borderview. To us this is our best offering yet. We think the pages of this book continue our tradition of high type cattle with great pedigrees and we feel you will be pleased with the cattle when you or your choice of our sale personnel evaluate them. This is going to close out a chapter of our breeding business. Our plan is to shut the doors of Borderview after this sale. The continual challenges of having adequate help to care for the cattle we own has forced us to make this decision. It is sad in some ways but exciting in others. We want to take on new adventures, managing more sales, do pedigrees at sales and being able to see the country and people together at a slower pace. Most importantly enjoy some free time doing what we love, being with our children and our friends, sitting on the deck or our boat at the lake or at the beach, playing golf, tennis or going for a walk. Tim wants to hunt and fish and learn to play his keyboards and Sharyn wants to quilt, sew and make scrapbooks.

We will not be out of the business, but we will continue to phase out our cattle ownership. When this is done, we will own Hez, Blexy, Alacazam, Cheers, Sapphire and Laurel. We have quite a few calves coming from our IVF work and have an exciting partnership with Matt Hawbaker, Interstate Heifer Care to raise those cattle to maximize their potential!

There are tons of folks to thank but we especially want to recognize our crew that keeps the farm running. Joan Seidel, Farm Manager, Elizabeth Menard, Keegan Marshia and the entire Callan Family. We can not thank you enough for your efforts in the past year. We also thank Conner Nesbit for doing a great job getting our cows pregnant. We also owe the St. Pierre family and their staff a huge thank you. They prepare our feed for us, help us when in need and are great neighbors always willing to help. We also want to thank David King for developing the best heifer ration we have ever had; our heifers look great because of David's great work. One of the great blessings in the past couple year is our association with Dr Ben Kenney of Trans-Ova. He is one of the most talented Vets and sharpest minds we have ever worked with. He has provided us great service and advice and become a valued friend. Lastly to Chris and Jen Hill, we value your friendship and our business relationship. Many of these animals were hand picked for us by Chris and he has done a great job! So, as we wrap up this chapter of our lives, we thank all of you for your support. This business has blessed these two Vermont farm kids with more than we could have imagined. We have worked with incredible cows but the friends we have made along the way are second to none. Our partners in the cow business are some of our best friends and we appreciate working with each of you.

With the Covid 19 situation we do not know the details of how we are going to do it yet but we have two great friends from Nashville to perform for us the evening after the sale. We will know more how we are going to do this as new regulations are developed. Plan to join us for an evening of music, food and fun after the sale. We will announce our plan on FB and at the sale once we know more!

Thanks for your interest in Borderview.

Tim and Sharyn Abbott

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:

1. Cows over 7 years of age when sold;
2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.

Plans are underway for...

Music City Celebration IV

Monday, December 14, 2020

AJ's Good Time Bar, Broadway, Nashville, Tennessee
It's not just a sale... It's an experience!

Join us for the annual sale event of the year!

3 years of sales and nearly \$2 million dollars worth of cattle have sold across the stage at Alan Jackson's Bar in Nashville, TN.

Over 500 breeders have attended the 3 sales and we have featured private music shows from some of Nashville's best musicians.

This year we plan to make it bigger and better than ever!

We look forward to seeing you in
NASHVILLE in December!
Contact us with top consignments
and for hotel information!
