SCHEDULE OF EVENTS:

Friday Afternoon, November 20

All animals will be available for viewing in open lots. Sale order, base price, and all supplemental information not listed in the catalog will be available.

Saturday Morning, November 21

Continued viewing of animals

11:00 am - Complimentary Ribeye lunch will be provided

12:00 noon - Southwest Cattlemen's Classic Sale

DIRECTIONS:

Sale location — Bottomley Sale Facility, 195 Kenton Run, Wytheville, VA 24382. Use Exit #77 off of I-81, just north of Wytheville. Travel to the access road west of the interstate. Turn right on Kenton Run (just past Exxon station) and travel one mile to sale facility. Watch for signs.

SALE FORMAT:

Each animal in the sale will have a base price which will be listed on a supplemental sheet furnished on sale day. Bulls will be offered starting with the higher base price bulls and alternating in groups of 5 between the consignors. A sales order will be furnished on sale day. Each animal will be offered individually though the sale ring starting at the listed base price and selling to the highest bidder. If no one is willing to bid the listed base price, then the animal will be passed on. Animals passed on during the auction will be available for sale afterwards at the listed base price. Animals returning to the consignor's farm will be available for sale at the base price or higher.

PICKUP AND DELIVERY:

Loadout of animals can begin immediately after the conclusion of the sale. Trucking and delivery of animals can be provided and the consignors will work with individual buyers to provide the quickest and most economical transportation possible. Bulls can

be returned to the consignor's farm for later pickup or delivery at the cost of \$2/head/day and will be fed and handled as they were prior to the sale or as the buyer requests. Bulls must be picked up by Jan. 1, 2021 unless special arrangements are made with the consignor. Bulls are the risk and responsibility of the new owner.

HEALTH & FERTILITY:

BVD PI tests within 30 days prior to the sale. Out of state health papers will be available sale day by Healing Springs Large Animal of Galax, VA. Bulls have been evaluated for breeding soundness and fertility by Dr. Andy Meadows and Dr. Jamie Cassell, and are guaranteed to be breeders.

BREEDING GUARANTEE:

Bulls are guaranteed to be breeders (defined as the ability to settle healthy cows by the time they are 14 months of age) with the exception of: a. Injury or disease occurring to the animal after time of purchase, or b. Gross negligence or willful misconduct on the part of the purchaser.

TERMS & CONDITIONS:

Terms of the sale are cash -- unless credit arrangements have been made prior to the sale. All settlements are to be made with the sale clerks at the conclusion of the sale and before any animals will be released from the sale premises. Cattle sell under the Standard Terms and Conditions as suggested by the American Gelbvieh Association, American Angus Association, and the American Simmental Association.

PURCHASER'S RISKS:

Each animal becomes the risk of the purchaser as soon as sold, but it shall be the obligation of the seller to see that the animals are fed and cared for until loaded for shipment.

ANNOUNCEMENTS:

Any changes of information of any kind in this sale book will be announced from the auction block and such announcements take precedence over all printed material.

REGISTRATION CERTIFICATES:

A transferred certificate of registration will be furnished to the buyer on each animal within 45 days following the sale or receipt of full payment.

MOTEL ACCOMMODATIONS:

Hampton Inn, Fort Chiswell, VA (276) 637-4027
Comfort Inn, Max Meadows, VA (276) 637-4281

AUCTIONEER: Smith Reasor VAAL #2395

G02 is a great bull to start my consignment. A Whitlock son out of a PB first calf heifer. You have to admire this bull on paper with a notable multi generation AI pedigree and an excellent EPD profile with double digit CE & 160.7 YW. Then you consider the 820 lb. adj wean weight and a phenotype to match his performance, with a touch of frame, long thick top, and deep body. A calm disposition on an older September, heavy weight bull.

WOW! What a good balancer bull! He is out of ABS site EXAR Monumental 6065B that is an extremely popular AI sire. His dam 505Y is another of our Gelbvieh Donor cows that can get it done also. 05G has EPD's to burn top 2% for MB & CW. Top 10% for WW & TM. Top 15% for WW, MK, REA. Top 30% for BW. He should make heavy calves at weaning and replacement heifers that will be the right kind that will all be Black and Polled. ET maternal brothers sale as lots 28, 30 & 34. Give him a good look!!!

107G is an impressive looking 25% Balancer. Her dam 822C is one of our favorite Balancer females on the farm. The way she is put together along with her EPD's she should make a good cow. She sells open and is ready to breed this fall. OPEN

Here's a great purebred Gelbvieh heifer that sells open. She is sired by Viper 7E which has really produced a great set of heifers. This momma cow in the making is in the top 4% of the breed for milk and should be a great calf producing female. OPEN
