Dear Friends,

On behalf of the Department of Animal and Poultry Sciences at Virginia Tech and the 2021 Livestock Merchandising class, we welcome you to our 27th Annual Hokie Harvest Sale! Chad and I are very thankful to our customers, students, alumni, and supporters who have been extremely important to us along the way. It is hard to imagine that after 27 years this merchandising course has weathered the test of time and continues to be a very relevant course in the departmental curriculum. Nearly 1,850 Virginia Tech students from various majors and colleges have enrolled in this course and have later become industry leaders and prominent livestock producers. The Hokie Harvest is more than just a beef cattle or horse sale; it's an exciting, fun-filled day with quality livestock, outstanding students, supporting alumni, great fellowship, and delicious food. Don't miss out on this opportunity to witness our future industry leaders in action!

The Hokie Harvest Sale has developed a significant reputation for selling high quality, university-owned livestock and is unique to the university and the Commonwealth of Virginia because it has been organized and managed by students in an experiential learning environment. Both two- and four-year students have gained "hands-on" experience in sale management, budgeting, advertising, cataloging, clerking, and livestock photography. Students have worked extremely hard in the planning and preparation of this year's production sale, which includes a live auction of 77 head of registered and commercial beef cattle and six quality horses being sold exclusively through an online auction at <https://horsesales.cals.vt.edu>. Additional updates on all sale horses can be found at <https://www.facebook.com/VirginiaTechEquine/>

Our commitment to our customers has always been to provide cattle that are profitable in a variety of situations. The beef cattle program strives to raise the most predictable genetics available and will feature both purebred and commercial beef cattle. Breeders of purebred Hereford, Simmental, Charolais, and Angus cattle will be able to select AI-sired progeny from a cross-section of the VT Beef Cattle herd. Some of our very best females and bulls have been hand-picked stemming from elite donors that combine curve-bending EPDs, breed-changing genetics, and acceptable phenotype. Mature cows with proven production records and promising herd sires from predictable cow families will be sold. All 10 spring-born calves will sell separately from their dams. A strong set of pregnant commercial cows and heifers of SimAngus origin will also be offered. Cowbuyer LLC will again provide online bidding for the cattle sale if you feel more comfortable with that format. If so, you must register at [www.cowbuyer.com](http://www.cowbuyer.com) at least one hour before the sale in order to watch/bid online in real-time. Complimenting this service, video is available on all sale cattle which can be accessed at <https://www.apsc.vt.edu/facilities0/beef-center.html>. Sale cattle will be on display throughout the week of the sale but will not be brought into the sale ring which is different from previous years.

Our equine program is selling an excellent offering of six young horses ... three geldings and three open mares. Please join us as we showcase these well-bred horses from 12-6 PM on sale day. The online auction will be open for bidding on October 1st and will close promptly at 6:00 PM on October 29th.

As we all know, the past 18 months have been challenging in so many ways. Virginia Tech is prepared for a fully in-person Fall 2021 Semester. Of course, we will base our sale plans on the latest public health guidance and trends informed by still emerging data and science. As we have throughout the pandemic, we will build flexibility into our sale plans and communicate any updates through our websites and social media in a timely and transparent manner.

The Department of Animal and Poultry Sciences takes great pride in our university, our livestock, and especially our students. We encourage you to 'Come and Experience the Harvest' on Friday, October 29th and get to know this great group of future industry leaders. Funds generated from the Hokie Harvest will continue to provide funding critical to the survival of departmental programs. Many thanks to all of you for your past support and interest in our beef cattle and equine teaching programs. We are committed to making you a satisfied customer and are here to assist you in any way we can.

Sincerely,

Dan Eversole, Director  
Beef Cattle Programs

Chad Joines, Director  
Beef Cattle Operations

### TERMS & CONDITIONS:

Cattle sell under the Standard Terms and Conditions as suggested by the American Hereford Association, American Angus Association, American-International Charolais Association, and the American Simmental Association. Cash or good check will be accepted. All

purchases are to be settled for at the conclusion of the sale and will remain at the VT Beef Center until proper settlement is made.

### REGISTRATIONS & TRANSFER:

Registration certificates will be transferred to the buyer at the seller's expense. Buyers must provide full name and address for transfer. Association member codes would be helpful if you are a member of a purebred breed association; however, this is not required to purchase cattle. Animal transfers will be done after settlement.

### HEALTH REQUIREMENTS:

1. All cattle for sale will meet the health requirements of the Commonwealth of Virginia and appropriate health papers will be furnished for interstate shipment. Every female (4-12 mo.) has been calf-hood vaccinated for Brucellosis. All sale cattle are tested free from Brucellosis, John's Disease, and Bovine Leukemia Virus (BLV).

2. If sale cattle are returned to the seller for an adjustment, they must meet health requirements of the Commonwealth of Virginia.

3. Yearling bulls have undergone a breeding soundness examination (BSE) and are considered satisfactory breeders as defined by the Society of Theriogenology. Buyers will be given a copy of the BSE results.

### BREEDING GUARANTEE:

Bulls are guaranteed to be breeders (defined as the ability to settle healthy cows by the time they are 14 months of age) with exception of:

- Injury or disease occurring to the animal after time of purchase.
- Gross negligence or willful misconduct on the part of the purchaser.

### HERD HEALTH:

All pregnant females were given a pre-breeding vaccine which consisted of a modified-live virus IBR-PI3, BVD, BRSV, and a 5-way Lepto bacterin. Any questions concerning general herd health can be directed to Dr. Terry Swecker, College of Veterinary Medicine (0442), Virginia Tech, Blacksburg, VA 24061, 540/231-7375.

### ANNOUNCEMENTS:

Announcements from the auction block will take precedence over printed material in this sale book. Virginia Tech reserves the right to withdraw any sale lot from the sale that does not meet their specifications prior to the sale.

**EPDs represented in this sale book were current at the time requested for the layout and printing of this sale book. EPDs are recalculated throughout the year by the respective breed associations, which mean the figures represented in this book may change for these animals in the future.**

*Dear friends, supporters, and fellow Hokies,*

*As the 2021 Livestock Merchandising Class at Virginia Tech, we are honored and pleased to present to you the 27th Annual Hokie Harvest Sale Catalog. After a year of virtual socialization and isolation, we are excited to invite you to our in-person sale on October 29th, 2021, at 6:30 P.M. at our very own Alphin-Stuart Livestock Arena located on Plantation Road in Blacksburg, Virginia.*

*Now in its 27th year, this annual auction continues to be a joint effort among all the students enrolled in the Livestock Merchandising Class. Throughout this class we have had an abundant amount of amazing guest lecturers who have thoroughly prepared us for planning and overseeing the sale. Organizing the Hokie Harvest Sale teaches each member of the class valuable skills on how to manage and coordinate a successful production sale, while providing high quality, hand-picked livestock to the public. This year's auction will include an amazing selection of 77 beef cattle including 10 purebred spring pair splits, 6 fall-calving purebred cows, 6 spring-calving commercial heifers, 6 fall-calving commercial cows, 7 spring-calving commercial cows, and 20 breeding-age bulls. Our hand-picked selection of cattle include Angus, Charolais, Simmental, and Hereford breeds.*

*The Hokie Harvest Sale is also fortunate to offer 6 fantastic youngstock, 3 mares and 3 geldings, all of whom were born and raised at our Smithfield Equine Barn to our online auction. We have a diverse group of horses ranging from weanlings to 3-year-olds, including an Irish Sporthorse, a JC registered gelding, and a few quality Quarter Horses. The online auction of these amazing horses will open on October 1st, and close at 6 p.m. on October 29th, following the live viewing of the sales horses from 12-6 P.M. in the Alphin-Stuart Livestock Arena on sale day. All proceeds from the Hokie Harvest Sale will directly impact the Department of Animal & Poultry Sciences and its programs to benefit the Virginia Tech students, research efforts, and extension education.*

*We appreciate your invaluable support and invite you to attend a complimentary barbeque dinner served prior to sale time in the Alphin-Stuart Arena beginning at 4:30 P.M. up until sale time. Join us in fellowship while enjoying some delicious food. Thank you for your continued support and interest in helping us further our education as we serve you. "Come Experience the Harvest" with us on October 29th at the 27th Annual Hokie Harvest Sale. We look forward to seeing you!*

*Sincerely,*

*Catalog and Social Media Committee*

 ► She is built from multiple generations of calving-ease and had an actual BW of 72#. Her progeny BWR is 96 on 2 calves.  
 ► She has always been a top performer with an individual WWR of 115 and YWR of 110.  
 ► Breed-leading EPD profile that places her in the elite 4% on YWEPD and \$W. She ranks in the top 10% on WVEPD and \$F.

► **Sells with her 8/24/21 herd sire prospect, Lot 12A, by 4M Ace 709**  
 ► She is a product of the VT ET program and a daughter of the "1Y28" donor cow.  
 ► This cow adds value with a progeny WR of 101 and RE ratio of 105.  
 ► Her donor dam posts a progeny WR of 106 and her grand dam has been an important part of the ET program, as she has produced numerous progeny for the sale and herd.  
 ► This cow is in her prime productive years and stands among the elite active dams at 3% on CED and \$F and top 10% on \$B.

► **Sells with her 8/27/21 heifer calf, Lot 13A, by Mill Brae Identified 4031**  
 ► She posts a progeny YWR of 3 @ 105 and RER of 2 @ 102.  
 ► She stacks multiple generations of the current and leading AI sires in the breed. She stems from the highly acclaimed "Blackbird" cow family that has produced sale toppers and the elite individuals in the VT program.  
 ► 7 Pathfinders are found in her 3-generation pedigree.

► **Sells with her 8/29/21 heifer calf, Lot 14A, by E & B Plus One**  
 ► She was produced from an embryo in the historic and elite Ankony Angus program.  
 ► Her progeny BWR is 4 @ 95, her progeny WWR is 4 @ 100, her IMF ratio is 2 @ 105, and RE 2 @ 101.  
 ► In the prime of her life, she still ranks among the elite of the breed. Her third dam is a flush sister to the legendary N BAR Emulation EXT.

## Hokie Harvest Sale Horse Showcase

Friday, October 29<sup>th</sup>, 2021 from 12pm-6pm

During this event, all sale horses will be available for viewing by prospective buyers.

Virginia Tech Campus @ Alphin-Stuart Livestock Arena

500 Plantation Rd, Blacksburg, VA 24061

## Training Details

All youngstock sold during the Hokie Harvest Online Horse Auction have been trained by students in the Equine Behavior and Training course taught in the department of Animal and Poultry Science and routinely handled by students in the Equine Volunteer Program and Equine Reproduction Club. All youngstock have been extensively handled since birth and are taught to lead, tie, stand for the farrier, load into a trailer and have been desensitized to a variety of novel objects. Yearlings are additionally taught to lunge and carry tack. Two-year-olds and older have also been introduced to ground driving. Conformation photos, training photos and videos of all sale horses are available on the auction site as well as in each horse’s photo album on Facebook. All horses will be sold with a portfolio detailing their training progression and medical history. These portfolios will be available on the day of the Horse Sale Showcase. Terms & Conditions can be found on the auction website.
