VIRGINIA ANGUS ASSOCIATION
644 GREENVILLE AVE #220 · STAUNTON, VA 24401
WWW.VAANGUS.ORG

On behalf of the Virginia Angus Association, I would like to personally invite you to the 2020 GIFT Sale on Saturday, June 13 at Noon. Due to COVID-19 restrictions, we decide to move the date and location of the sale, which is normally during Virginia Beef Expo. This change has not affected the quality of the offering at all, as our consignors offer some of the most premier genetics from high quality, forward-thinking programs. With the assistance of Tom Templeton, we have aspired to make the sale one of the most elite sales in the East!

This year's sale offering will certainly not disappoint! The cattle will offer you the opportunity to improve your program with industry-leading traits across all EPDs. Several cattle have had genomic testing completed, improving the accuracy of their EPDs. As you look through the catalog, you can see that phenotypically, the cattle are outstanding! I am impressed with the offering from our breeders and I know you will find that the cattle come from the heart of their program!

If you need assistance or have questions about the cattle, please do not hesitate to reach out to me, Tom Templeton or any of the other sale contacts listed in the catalog! If you are unable to attend the sale in-person, we will be offering two different options for purchasing cattle online. Please join us using Cowbuyer.com or LiveAuction.tv. If you prefer to be on the phone the day of the sale, we can also make arrangements for that to be possible.

We look forward to seeing you in New Market at the GIFT Sale!

Best Regards,

Paige Pratt, President
Virginia Angus Association
