

Cal Poly Showcase Sale

San Luis Obispo, CA

We would like to welcome all of you to the 2021 Cal Poly Showcase Sale.

Throughout the preparation of the sale, there are experiences and situations that we would never have been able to get through without the continuous support of industry professionals and educators. There have been many people who have helped make this sale possible but there is one special person we would like to recognize this year. This supporter has helped with the catalog information, getting donations for the sale and has given us insight on different areas that are impactful for the sale. Dr. Stan Henderson has played a very large part in making sure this sale happens and he has provided many students with the knowledge to get it all done. Not only for this sale, Dr. Henderson has been an amazing advisor and friend to many students throughout the years. He has given guidance, support and encouragement to past and present students that has helped shape them into the professional men and women they are today. Thank you, Dr. Stan Henderson, for all you have done for the students and the Dairy Science Program. We dedicate this sale to you.

The “Learn by Doing” mantra at Cal Poly is taken to another level by experience gained at the Cal Poly Dairy. The Cal Poly Dairy has been an amazing resource for Robin Smithling to be able to make various connections in the California dairy industry. She comes from a small Brown Swiss dairy in New York and, through her four years at the Cal Poly Dairy, she has been able to meet other students and industry professionals who have helped shape her into the person she is today. Robin will always be grateful for the experiences that Cal Poly has given her and she hopes that the Cal Poly Showcase Sale will give the same experiences that she was able to have.

The opportunities available have allowed Lantz Adams to gain hands-on experience in both caring for cattle while working alongside like-minded individuals, all striving to make Cal Poly Dairy the best student run dairy in the world. The Cal Poly Showcase Sale is one of the many opportunities that expose students to different facets of the dairy industry, while showcasing the quality of cattle cultivated by past generations of students. Working on the Cal Poly Dairy for three years has had a profound impact on Lantz’s life that will continue after graduation. In the future, Lantz hopes to be able to look back and know that he contributed to the success of the Cal Poly Dairy Program.

This program has a very special place in our hearts, as it does in yours. We come from different backgrounds, but have the same common goal of hosting an event that showcases our program, students, faculty, and future. We would especially like to thank everyone for the continuous time, support, generosity, and endless assistance with putting on this event. To all of our sponsors, alumni, industry consultants, professors, family, and friends, we cannot adequately express how much we appreciate each of you. Thank you to all of our committee chairs for the countless number of hours you’ve put into making our dream a reality. The Cal Poly Dairy program is truly unique and special to all of us. We have grown fond of all of our friends, professors, and alumni. Our program isn’t just a school or an education; it’s a family.

Sincerely,

Robin and Lantz

Online Bidding

LIVE INTERNET BIDDING AT www.cowbuyer.com

Pre-Registration &
Pre-Approval Required
Aaron Ray Thompkins
336.363.4639

The online sale will be open February 8th at 11AM for online bidding at CowBuyer.com. There will be a last chance to bid on each of the lots starting at 11AM on February 12th.

FOR THE AUCTION CLOSING | FRIDAY, FEBRUARY 12 BEGINNING AT 11:00 AM PACIFIC TIME
The auction will utilize an auto-extend, soft closing. With this feature, the bidding will close up to two (2) lots at the same time starting with Lot 1 and working through the catalog. Once two (2) minutes have lapsed without any bidding activity, the bidding on those items will be closed. Then the next set of lots will close in the same manner until they receive no additional bids, until all lots have closed.

- View/bid online in Real Time
- Registration is required. Please register at least one (1) hour prior to sale time at www.cowbuyerlive.com
- High Speed Internet is required. Slower speed will not permit you to bid and keep pace in real time.
- Terms: Purchasing online constitutes a legal contract and promise for payment of purchases. All purchases must be paid within five (5) days of sale date and prior to load out or delivery of cattle purchased.
- Cowbuyer.com is a service provider and is not responsible for the activity or inactivity of any technology, internet connection at the sale site or connection and technology of the bidders.
- For questions or information, contact:
Aaron Ray Tompkins – 336-363-4639, atompkin@vt.edu

for sale and lot updates!

Sale Terms & Conditions

Payment in full on sale day by cash or good check unless prior written arrangements have been made with the seller and/or sale management. For buyers not in attendance, full payment for purchases is due to Cal Poly Dairy within 5 business days of the sale. No exceptions. Any special terms MUST have prior approval by seller or sale management. Partners reserve the right to bid on all partnership consignments.

Embryo Packages

Embryos sold on a per embryo basis times the number of embryos offered in the package. Every assistance will be given in helping to arrange delivery, but the final responsibility for shipping arrangements or pickup of the embryos including all expenses, is that of the buyer. Terms of embryo sales are cash.

Terms of Sale for ET Choices

Terms for unborn choices: 35% down payment on sale day with remaining 65% upon selection at no later than four months of age of youngest calf born in the group from which the selection is made. Seller is responsible for notifying buyer of birth of calves. Seller is responsible for all registry fees and any other applicable fees to obtain registry certificate. Seller is entitled to \$5.00 per day board after 4 months, based on age of youngest calf born in the group from which the selection is made. If buyer fails to make the selection and take possession within 60 days after the youngest calf is 4 months of age and if the seller has notified the buyer by certified mail of the impending default of the sale and after giving the buyer 10 days to respond to this certified letter, the sale will then be termed in default and the buyer will lose all rights as purchaser and will forfeit his down payment. Should for any reason a female not result from a respective flush, the following steps will be taken to fulfill the purchase agreement: A) Seller will offer choice of remaining ETs from the respective flush B) Seller will offer choice of another flush already implanted or choice of a future flush, mutually suitable to both buyer and seller. In the case of buyer getting choice of a future flush, no interest will be charged to the buyer, but payment schedules will remain the same. C) If no pregnancies can be made available to the buyer, as in the sale or death of the donor, or the donor's inability to produce embryos; the seller shall provide the buyer a good, healthy, acceptable calf from another cow of equal or greater value as determined by sale management. Sale management will negotiate and mediate on behalf of both buyer & seller in any dispute.
