Donated by:
New Generation Genetics

GIFT CERTIFICATE FOR \$50 TOWARD SEMEN PURCHASE

Donated by:
New Generation Genetics

**LIVE INTERNET BIDDING AT:
www.cowbuyer.com**

- Registration is required.

Please register at least one (1) hour prior to sale time at www.cowbuyer.com

- High Speed Internet is required.

• Terms: Purchasing online constitutes a legal contract and promise for payment of purchases. All purchases must be paid within ten (10) days of sale date and prior to load out or delivery of cattle purchased.

- Cowbuyer.com is a service provider and is not responsible for the activity or inactivity of any technology, internet connection at the sale site or connection and technology of the bidders.

For questions or information, contact:
**Aaron Ray Tompkins – 336/363-4639,
atompkin@vt.edu**

TERMS AND CONDITIONS

TERMS: The terms of payment for animals, semen, and embryos purchased shall be cash or check on sale day payable to the Minnesota Brown Swiss Association in U.S. funds unless other arrangements have been previously made with the consignor and the sale management. Payment shall be made to the clerk of the sale and release of animals will only be given when satisfactory settlement has been made by the buyer. The guarantees listed below shall be offered by the seller only after payment terms have been met by the purchaser.

BIDS: The person or company of persons offering the highest bid shall be the buyer. In case of dispute between bidders, the animal shall be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the final bid. Every animal catalogued is pledged to absolute sale, with the exception that an animal which has become sick or unfit to offer for sale may be withdrawn by the seller or sale management. By-bidding is prohibited. Every animal must be transferred to the new owner and may not be transferred back to the seller within one year, except at the discretion of the breed registry concerned.

RISK: All animals are held at the purchaser's risk and expense as soon as they have been struck off to the purchaser. However, care and feed will be furnished by the seller or sale management for 24 hours free of charge. Purchasers must make arrangements for care of their purchases if not removed within 24 hours following the sale. All animals are at the consignor's risk prior to selling in the event of fire or other mishap.

CERTIFICATES: Each animal which is catalogued, offered, and sold as registered shall be recorded in the Herdbook

of the Brown Swiss Cattle Breeders' Association of the U.S.A. The sale management shall be responsible that every animal sold be transferred within 30 days to the purchaser at the seller's expense, such transfer to be recorded on the Certificate of Registry by the Secretary of the Association. Any animal listed with a (W,) (M), (A), or (D) as a suffix to the name has been designated by the Brown Swiss Cattle Breeders' Association as a carrier of the Weaver, SMA, Spiderleg, or SDM Recessive Trait respectively.

SHIPPING: Assistance will be given by the sale management in loading and shipping animals, but the entire risk and expense shall be assumed by the purchaser. Until final shipping arrangements can be made, the best possible care will be given any purchase.

RESPONSIBILITY: In submitting the entries and in selling the animals listed in the sale, the consignor (seller) subscribes to the various regulations and warranties as set forth and assumes full responsibility for his cattle. Except as herein provided, the seller shall not be responsible for any damages beyond the selling price of the animal. The sale management acts as agent of the seller and shall only to the extent provided by law share the seller's responsibility, but it shall endeavor to protect the interests of the buyer as well.

WARRANTIES:

- (1) The seller warrants clear title to the animal and right to sell the same.
- (2) Unless otherwise noted in the catalog or announced from the auction stand prior to the animal being struck off, each animal is sold as sound. All udder guarantees will cease when the cattle are loaded for removal from the barn.
- (3) Animals are guaranteed to be breeders in accordance with the following:
 - (A) FEMALES: Any female pregnant when sold or that has freshened within 60 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within six months of sale date, or if less than 15 months old when sold, by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall have the privilege of six months time in which to prove the animal a breeder before refunding the purchase price. The seller makes no warranty that pregnant cows will deliver normal or full-term calves.
- (4) Above warranties cease when the animal is disposed of by the original purchaser.
- (5) Transportation charges on all animals on which an adjustment is being made shall be paid by the shipper.
- (6) The Breeding Warranty is eliminated if a female is flushed or super-ovulated following the sale.

HEALTH CERTIFICATES: Each animal shall be accompanied by an official health certificate approved by the Livestock Sanitary Official of the State of Origin and shall have fulfilled the requirements of the Division of Animal Health in the state in which the cattle are being sold. Every effort will be made, however, for the seller of each animal to have met the health requirements of all possible states of destination. Each animal so required will have passed the negative

test for Tuberculosis and Brucellosis. Results of any future health tests are not guaranteed.

PERMITS: Before shipping cattle into some states, it is necessary to obtain a permit from the Livestock Sanitary Official of the state into which the cattle are to be shipped, and since no charge is usually made for a permit, it may expedite the shipping of cattle if intended purchasers secure their permits before the sale.

ERRORS: If any errors or omissions are noted in the catalog or advertising, announcement of such errors shall be made from the auction stand just prior to the sale of the animals, and such announcement shall take precedence over the printed matter in the catalog or advertising. Neither the editors of the catalog, the sale management, nor the consignors can assume any responsibility for any errors or omissions in the catalog.

ACCIDENTS: The sale management, auctioneer, and sellers disclaim any liability in the event of personal accident or property loss to anyone resulting from the behavior of the animals or from the condition of the sale premises.

RECORDS: Records marked with an asterisk (*) are not on file with BSCBA and have been supplied by the owner. Only official DHIA or DHIR records are used.

Welcome to the 74th Annual Minnesota Brown Swiss Breeders' State Sale

COVID-19 PREPAREDNESS PLAN
MINNESOTA BROWN SWISS ASSOCIATION STATE SALE
September 12, 2020

The Minnesota Brown Swiss Association (MBSA) is committed to providing a safe and healthy event for all our members, volunteers, auction crew, and buyers. To ensure we have a safe and healthy event, MBSA has developed the following COVID-19 Preparedness Plan in response to the COVID-19 pandemic. MBSA members are all responsible for implementing this plan. Our goal is to mitigate the potential for transmission of COVID-19 at our event and in our communities. That requires full cooperation among our members, volunteers, auction crew, and buyers. Only through this cooperative effort can we establish and maintain the safety and health of all persons at our events.

The COVID-19 Preparedness Plan is administered by the MBSA Executive Board, who maintains the overall authority and responsibility for the plan. However, all MBSA members are equally responsible for supporting, implementing, complying with and providing recommendations to further improve all aspects of this COVID-19 Preparedness Plan. All MBSA members have our full support in enforcing the provisions of this plan.

MBSA's members are our most important assets. The Minnesota Brown Swiss Association is serious about safety and health and protecting our members, volunteers, auction crew and buyers. Member involvement is essential in developing and implementing a successful COVID-19 Preparedness Plan. We have involved our member in this process by discussion via Zoom meetings, and email conversations, along with providing state guidance documentation to committee chairs.

MBSA's COVID-19 Preparedness Plan follows the industry guidance developed by the state of Minnesota, available at the Stay Safe Minnesota website (<https://staysafe.mn.gov>), which is based upon Centers for Disease Control and Prevention (CDC) and Minnesota Department of Health (MDH) guidelines for COVID-19, Minnesota Occupational Safety and Health Administration (MNOSHA) statutes, rules and standards, and Minnesota's relevant and current executive orders. It addresses:

- ensuring sick members, volunteers, auction crew, or buyers stay home.
- social distancing – This is an open-air livestock facility, and everyone will be asked to maintain social distancing of six-feet apart;
- member, volunteer hygiene and source controls, including face coverings;
- event building and ventilation protocol;
- event cleaning and disinfection protocol;
- communications protocol.

MBSA has reviewed and incorporated the industry guidance applicable to our business provided by the state of Minnesota for the development of this plan, including the following industry guidance.
(See attachment A: COVID-19 Guidelines for Conducting Sales Auctions)

Ensure sick members, volunteers, auction crew, and buyers stay home and prompt identification and isolation of sick persons

Via Sale advertisement, MBSA newsletter, and social media, along with membership email, everyone has been informed of and encouraged to self-monitor for signs and symptoms of COVID-19. This is a 1-day event. If anyone experiences any COVID-19 symptoms, and have volunteered to work, or are expected at the event, then they are to notify their committee chair by phone or text message. They are not to come to the facility. Buyers will have the option of using "Cowbuyer.com" a virtual auction site to purchase their interests.

Social distancing

Social distancing of at least six feet will be implemented and maintained between members, volunteers, auction crew and buyers as much as practicable, with the exception of handling of livestock, due to the possibility of injury not only to the handler, but also to the animal. The event will practice the following engineering and administrative controls to assist:

1. Animals will enter the sale ring on one side and exit the sale ring on the other. No one other than the lead-person shall be in the sale ring with the animal being sold.
2. Buyers attending the auction will be facilitated in bleacher seating in an open-air barn. They will be instructed to maintain social distancing and encouraged to wear face protection (i.e. protective masks, shields, etc.)
3. Clerking of the sale: Instructions previous to the start of the sale will be announce and social distance lines will be encouraged. Veterinary Paperwork will be dispensed at a separate table.
4. Occupancy Control: MBSA has committed to using a virtual auction site to allow for limited on-site buyer participation helping to maintain the limit of 250 people on site. Previous attendance over the last 10 years would show that this is not a problem.

Event hygiene and source controls

Basic infection prevention measures will be implemented at our event at all times. Everyone will be reminded to wash their hands with soap and water frequently throughout the day, hand sanitizer will be available, and common pen usage will be discouraged. Additional face masks will be available. Respiratory etiquette will be demonstrated on posters and supported by making tissues and trash receptacles available to everyone entering the event. Posters to remind everyone to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing, and to avoid touching their face, particularly their mouth, nose and eyes, with their hands will be posted. Trash receptacles with reminders to dispose of tissues in provided trash receptacles and wash or sanitize their hands immediately afterward.

Event building and ventilation protocol

This is an open-air livestock facility. There is no air recirculation or ventilation to control. If extreme heat situation arises, then barn fans may be brought in to increase air flow throughout the facility for the welfare of the livestock.

Event cleaning and disinfection protocol

This is an open-air livestock facility. The cleaning of the bathrooms will be done by the janitorial staff of the facility ownership. Paper towels will be provided in the bathroom facilities along with trash receptacles and hand sanitizer.

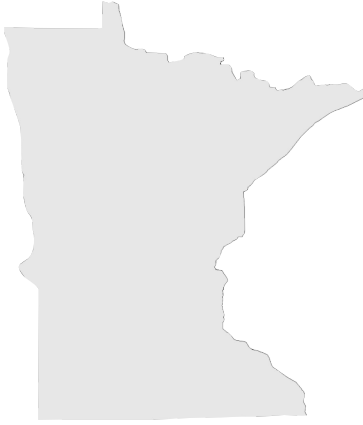

Communications protocol

This COVID-19 Preparedness Plan will be communicated to all Minnesota Brown Swiss members, volunteers, auction crew via email or newsletter no later than August 30, 2020. Communications for buyers will be posted on site the day of the sale and in the sale catalog.

All MBSA members are expected to monitor how effective the program has been implemented. This COVID-19 Preparedness Plan has been certified by the Minnesota Brown Swiss Association Executive Board and the plan will be posted at the event and made readily available .

Certified August 10, 2020, by:
Thomas Portner, President,
Minnesota Brown Swiss Association

✱ MN NOTES ✱

**A SPECIAL THANKS TO
THE MINNESOTA
BROWN SWISS YOUTH
FOR THEIR HELP AT
OUR STATE SALE.**

✱ **Attention: 4-H & FFA Members** ✱ **Junior Project Calves** ✱

This applies to calves born after September 1, 2019. In order to help our young breeders get started in good Brown Swiss cattle, the Minnesota Brown Swiss Breeders' Association will refund 10% of the purchase price to purchasers who are 4-H or FFA members when the following conditions are met:

1. Animal must be purchased in Junior's name.
2. The animal purchased is exhibited by the Junior at the local fair or Canton Show (any state).
3. The County Extension Director or other authorized person will certify to the secretary of the Minnesota Brown Swiss Association that the animal has been exhibited at the above fair and Canton Show. Upon receipt of this evidence from the Junior, a 10% refund of the purchase price will be made to the purchaser.
4. Must be applied for by December 31, 2021.
